Hi Tracy,  
What is the name and location of your business? And please always feel free to contact directly.  
It's a pleasure to be of service.

Hello Nate,

Would you please connect Tracy with someone from the CDD who may be able to help her with this planning issue related to the SEZ. I think Tracy just needs some basic information for her company to submit with an application to the West LA Plan Check.

Thanks,  
Jim

I saw Jim Kennedy today and he suggests you reapply for your trash enclosure because the new enterprise zone lowers parking requirements...perhaps you'll qualify for your trash enclosure now.
